KRISH NARANG

B.C.A. GRADUATE • APPLIED DATA SCIENCE

PROFESSIONAL PROFILE

Forward-thinking and highly motivated Bachelor of Computer Applications (B.C.A.) graduate specializing in Applied Data Science. Combines a solid technical foundation in software architecture, web technologies, and clean programming structures with strong managerial aptitude. Adaptable problem-solver and collaborative learner determined to deliver optimization across engineering and management verticals.

PROFESSIONAL EXPERIENCE

SkillCraft Technology

Remote

Web Developer Intern

Jul 2025 – Aug 2025

- Engineered production-ready front-end components and modular layouts mapped onto client and technical project criteria.
- Sustained workflow timelines independently, validating code iterations cleanly prior to remote pipeline delivery checkpoints.

CodSoft

Remote

Web Developer Intern

Jun 2025 – Jul 2025

- Collaborated inside agile sprint criteria to build, debug, and roll out multi-layered functional web mockups.
- Refactored interactive UI features, streamlining execution modules to administrative repositories.
